Junior Golf Clinics are a fantastic way to introduce your children to the game. Our Professional Coaching Staff ensure that all young golfers receive plenty of motivation and technical guidance during their coaching sessions. Our focus is on safety, education & fun.

### Junior Development 1 Ages 9 - 13

Classes are conducted over the school term on a Monday and Thursday from 3.30pm until 4.30pm. The classes run for approximately 8 weeks with a maximum of eight children per class at a cost of \$10.00 per session.

All equipment is supplied during the term. At first, the main objective is to get the children playing games with very broad instruction lightly covering rules, basic principles of the grip, posture, alignment, swing and safe practices in golf. We also promote the development of friendship, team play and etiquette within the group.
